

# BP-Husky Refining HSSE Rules Quiz

Mark each of the following statements TRUE or FALSE. After completion of the test, please refer to the HSSE rules or the safety video for the correct answers. Complete the signature page and return to the receptionist.

1  TRUE  FALSE

Visitors are restricted to the areas where they are scheduled to visit and will be escorted at all times.

2  TRUE  FALSE

All traffic regulations must be obeyed.

3  TRUE  FALSE

Drivers may leave unattended vehicles running.

4  TRUE  FALSE

Unless a specific task requires it, a green zone designates an area that PPE is not required.

5  TRUE  FALSE

Hard hats, safety glasses with side shields, flame resistant coveralls (FRC, Nomex), ear protection, safety toed shoes, and an H2S monitor are required outside of the green zone.

6  TRUE  FALSE

Cameras are not permitted without written permission.

7  TRUE  FALSE

Smoking is permitted only in designated areas.

8  TRUE  FALSE

Use of alcohol or drugs is not permitted.

9  TRUE  FALSE

Exclusion zone barricades indicate units that are starting up or shutting down and shall never be crossed.

10  TRUE  FALSE

Cell phones are prohibited in process areas and must remain in your vehicle.

11  TRUE  FALSE

A vehicle entry permit is required to drive into the process block.

12  TRUE  FALSE

Process Safety signs posted within the process block give you an overview of the hazards of the unit you are about to enter.

13  TRUE  FALSE

Bicycle and vehicle operators must stop at all stop signs.

14  TRUE  FALSE

Use of any electrical or battery operated equipment outside the green zone will require a permit and special authorization.

15  TRUE  FALSE

In the event of an emergency, an alarm will sound. Cease work and listen for detailed instructions over the public address system or follow the instructions of a BP-Husky Refining representative. If instructed to evacuate report to your designated assembly area.

16  TRUE  FALSE

All injuries, or any type of emergency, such as a fire or spill shall be reported immediately to a BP-Husky Refining representative.

17  TRUE  FALSE

Seat belts must be worn by the driver and all passengers in a moving vehicle.

18  TRUE  FALSE

There is NO cell phone use while driving anywhere on refinery property.

19  TRUE  FALSE

Employee conduct that results in employee harassment shall not be condoned and may result in disciplinary action.

20  TRUE  FALSE

If you witness an unsafe act or an unsafe condition you have the responsibility and authority to stop a job.

I have viewed the BP-Husky Refining HSSE Visitors Video and I understand its contents. I have received a copy of the BP-Husky Refining Visitors HSSE booklet issued to me by a BP-Husky Refining representative which reinforces the Health, Safety, Security, and Environmental Orientation I have just received. I also understand that if my visit or scope of work exceeds the level of training I have just received, it is my responsibility to immediately notify a BP-Husky Refining representative for additional training.

I have reviewed the quiz, corrected any wrong answers, and now understand the correct answer to each question for my level of required training.
